

Editor: **Mrs Hazel McGee**

Papers Secretary: **Nick James**

The *Journal* is published six times per year, in February, April, June, August, October & December.

Library subscription (UK and surface mail overseas): £37.35. To purchase single copies or individual articles please contact the BAA office.

The Association is not responsible for individual opinions expressed in articles, letters, reviews or reports of any kind. Material published in the *Journal* does not necessarily express the views of the Council.

### Contributions

**Papers** should be sent by e-mail (preferred) or by post (**three** copies) to the Papers Secretary at the address shown inside the back cover of each issue. They will be refereed, and, if approved by Council, published as soon as reasonably possible. Those wishing to speak at a meeting should contact the Meetings Secretary.

**All other contributions** should be sent to the Editor. As well as *Letters to the Editor*, she will be pleased to receive contributions to *Observers' Forum*, particularly interesting astronomical photographs and images. Colour as well as black and white photos are welcomed. Photos and media will be returned only if a suitable stamped addressed envelope is enclosed.

### Advertisements

**Small advertisements** should be sent to the Office, accompanied by the appropriate remittance. (See conditions printed on page 216).

**Display advertisements and loose inserts:** For a rate card and further information, contact Sheridan Williams, Tel. 01525 237370. Fax 08700 522352. E-mail: [baa@clock-tower.com](mailto:baa@clock-tower.com)

### Deadline

All material, including short letters and notes, must be received by the Editor by the following dates:

Issue	Date
2006 October	August 15
2006 December	October 15

Later dates apply, by arrangement, to electronic advertising copy for which space has been reserved.

### Membership of the BAA

The annual subscription for ordinary membership of the Association for the 2006–2007 Session is £39.00. For details of concessionary rates, and other membership information, see page 202 of this issue. Subscriptions are due on 1st August each year. Members who pay income tax are encouraged to complete a Gift Aid certificate in order to benefit the Association, which is a registered educational charity. The annual subscription to *BAA Circulars* is £4.

## On the cover

This magnificent image of spiral galaxy M82 and its glowing hydrogen filaments was made in March 2006 with the Advanced Camera for Surveys' Wide Field Channel on the Hubble Space Telescope. It is a composite mosaic of six images, combining exposures with four filters in the visible and the infrared. Credit: NASA, ESA, and the Hubble Heritage Team (STScI/AURA); J. Gallagher (University of Wisconsin), M. Mountain (STScI), and P. Puxley (National Science Foundation).
