

**Editor: Mrs Hazel McGee**

**Papers Secretary: Nick James**

The *Journal* is published six times per year, in February, April, June, August, October & December.

Library subscription (UK and surface mail overseas): £37.35. To purchase single copies or individual articles please contact the BAA office.

The Association is not responsible for individual opinions expressed in articles, letters, reviews or reports of any kind. Material published in the *Journal* does not necessarily express the views of the Council.

### Contributions

**Papers** should be sent by e-mail (preferred) or by post (**three** copies) to the Papers Secretary at the address shown inside the back cover of each issue. They will be refereed, and, if approved by Council, published as soon as reasonably possible. Those wishing to speak at a meeting should contact the Meetings Secretary.

**All other contributions** should be sent to the Editor. As well as *Letters to the Editor*, she will be pleased to receive contributions to *Observers' Forum*, particularly interesting astronomical photographs and images. Colour as well as black and white photos are welcomed. Photos and media will be returned only if a suitable stamped addressed envelope is enclosed.

### Advertisements

**Small advertisements** should be sent to the Office, accompanied by the appropriate remittance. (See conditions printed on page 156).

**Display advertisements and loose inserts:** For a rate card and further information, contact Sheridan Williams, Tel. 01525 237370. Fax 08700 522352. E-mail: [baa@clock-tower.com](mailto:baa@clock-tower.com)

### Deadline

All material, including short letters and notes, must be received by the Editor by the following dates:

Issue	Date

## On the cover

The new face of Jupiter in 2007, revealed by NASA's *New Horizons* spacecraft earlier this year and by ground-based images from Australian amateurs Stefan Buda (*top left*) and Zac Pujic. The main image shows the Great Red Spot area on February 27, imaged by *New Horizons* in the infrared. See article by John Rogers and full caption details on page 113. *New Horizons* images courtesy NASA/Johns Hopkins University Applied Physics Lab/Southwest Research Institute.
