

Editor: Mrs Hazel McGee

Papers Secretary: Nick James

The *Journal* is published six times per year, in February, April, June, August, October & December.

Library subscription (UK and surface mail overseas): £42.00. To purchase single copies or individual articles please see www.britastro.org/journal.

The Association is not responsible for individual opinions expressed in articles, letters, reviews or reports of any kind. Material published in the *Journal* does not necessarily express the views of the Council.

Contributions

Papers should be sent by e-mail (preferred) or by post (**three** copies) to the Papers Secretary at the address shown inside the back cover of each issue. They will be refereed, and, if approved by Council, published as soon as reasonably possible. Those wishing to speak at a meeting should contact the Meetings Secretary.

All other contributions should be sent to the Editor. As well as *Letters to the Editor*, she will be pleased to receive contributions to *Observers' Forum*, particularly interesting astronomical photographs and images. Colour as well as black and white photos are welcomed. Photos and media will be returned only if a suitable stamped addressed envelope is enclosed.

Advertisements

Small advertisements should be sent to the Office, accompanied by the appropriate remittance. (See conditions printed on page 216).

Display advertisements and loose inserts: For a rate card and further information, contact Sheridan Williams, Tel. 01525 237370. Fax 08700 522352. E-mail: baa@clock-tower.com

Deadline

All material, including short letters and notes, must be received by the Editor by the following dates:

Issue	Date
2007 October	August 15
2007 December	October 15

Later dates apply, by arrangement, to electronic advertising copy for which space has been reserved.

Membership of the BAA

The annual subscription for ordinary membership of the Association for the 2007–2008 Session is £40.50. For details of concessionary rates, and other membership information, see page 186 of this issue. Subscriptions are due on 1st August each year. Members who pay income tax are encouraged to complete a Gift Aid certificate in order to benefit the Association, which is a registered educational charity. The annual subscription to BAA *Circulars* is £4.

Contents

The 2006 Presidential Address	
A light history of photometry	Richard Miles 172
Refereed papers	
Trouvelot's threads: the 'murs enigmatiques' of Etienne Leopold Trouvelot	Nigel Longshaw 187
The aurora 2005	R. J. Livesey 192
Analysis of the first confirmed superoutburst of V337 Cygni in 2006 May	David Boyd et al. 198
Notes and News	163
From the President	Richard Miles
Perseids set for a favourable showing	Neil Bone
Solar Section	Lyn Smith
Asteroids & Remote Planets Section	Roger Dymock
Another supernova for Tom Boles	Stewart L. Moore
Part-time Accountant required	
Mercury in transit, 2006 November 8–9	Richard McKim
A daylight occultation of Saturn	Mike Foulkes
BAA Update	169
Meeting of the Variable Star Section, Edinburgh, 2007 May 5	Melvyn Taylor & Roger Pickard
New Members and Honorary Members	
A gallery of Section Directors	Richard McKim
200,000 variable star observations!	Roger Pickard
Letters	202
Finding Mercury in daylight	Chris Hooker
The apochromatic dialyte refracting telescope	Rick Blakley
Venus in 2004	Christopher Taylor
The myth of daylight poor seeing	J. C. Vetterlein
Observers' Forum	204
NGC 246: an overlooked planetary nebula in Cygnus	Stewart L. Moore
DV UMA in outburst	Roger Pickard & Ian Miller
Meetings	206
Ordinary Meeting, 2006 November 25	Roger Dymock
Ordinary Meeting and Christmas Lecture, 2006 December 16	Dominic Ford
Reviews	210
Nightwatch: a practical guide to viewing the Universe, 4th edn (<i>Dickinson</i>)	Martin Morgan-Taylor
The comet sweeper: Caroline Herschel's astronomical ambition (<i>Brock</i>)	Lee Macdonald
The de Vaucouleurs atlas of galaxies (<i>Buta, Corwin & Odewahn</i>)	Stewart L. Moore
Sky notes for August & September	Neil Bone 214
Membership information	186
Notice board, meetings diary & small advertisements	216
Officers and Council	218

The European Space Agency GAIA mission (Global Astrometric Interferometer for Astrophysics) is scheduled for launch in late 2011. This combined astrometric/photometric facility is planned to extend to at least the year 2020 and is expected to set new standards in astrometry & photometry for many years to come. See Richard Miles' Presidential Address *A light history of photometry* on page 172. (© ESA; illustration by Medialab)
