

Editor: Mrs Hazel McGee

Papers Secretary: Nick James

Meetings Recorder: Alan Dowdell

The *Journal* is published six times per year, in February, April, June, August, October & December.

Library subscription (UK and surface mail overseas): £50.00. To purchase single copies or individual articles please see www.britastro.org/journal.

The Association is not responsible for individual opinions expressed in articles, letters, reviews or reports of any kind. Material published in the *Journal* does not necessarily express the views of the BAA Council.

Contributions

Papers should be sent by e-mail (preferred) or by post (three copies) to the **Papers Secretary** at the address shown inside the back cover of each issue. They will be refereed, and, if approved by Council, published as soon as reasonably possible. Those wishing to speak at a meeting should contact the Meetings Secretary.

All other contributions should be sent to the Editor. As well as *Letters to the Editor*, she will be pleased to receive contributions to *Observers' Forum*, particularly interesting astronomical photographs, drawings and images. Colour images are especially welcomed. Photos and media will be returned only if a suitable stamped addressed envelope is enclosed.

Advertisements

Small advertisements should be sent to the Office, accompanied by the appropriate remittance. Members' small advertisements are FREE and may be sent directly to the Editor by e-mail.

Display advertisements and loose inserts: For a rate card and further information, please contact the *Journal* Advertising Manager, Mr Alan Dowdell, alan.dowdell@uraniborg-plus.com.

Deadlines

All material, including short letters and notes, must be received by the Editor by the following dates:

Issue	Date
2013 August	2013 June 30
2013 October	2013 August 25

Later dates apply, by arrangement, to electronic advertising copy for which space has been reserved.

Membership of the BAA

The annual subscription for ordinary membership of the Association for the 2013–2014 Session is £46.00. For details of concessionary rates, and other membership information, see page 181 of this issue. Subscriptions are due on 1st August each year. Members who pay UK income tax are encouraged to complete a Gift Aid certificate in order to benefit the Association, which is a registered educational charity. To claim Gift Aid you must pay an amount of UK income tax and/or Capital Gains tax at least equal to the tax which we reclaim on your donations in the tax year (currently 25p for each £1 you give us). The annual subscription to posted BAA *Circulars* is £5 (UK).

Saturn's remarkable North Polar Hexagon

Top: Saturn's N pole imaged by *Cassini* on 2012 Nov 27 with near infrared filters centred at 750nm, showing the N polar hexagon. The rings behind the planet are partially hidden by the planet's shadow. ©NASA, PIA14646.

Bottom: 2013 Jan 26d, 18h39m UT. CM1= 273.5, CM2= 23.7, CM3= 319.7. 356mm Schmidt–Cass. (*Milika & Nicholas*). The dark region around the North Pole (at bottom in both images) is the north polar hexagon.

These images form Figures 6 & 8 respectively of Mike Foulkes' article on page 129.
