Sparsholt College is about 5 miles west of Winchester which has good train and motorway links. This location provides en-suite accommodation in modern student halls of residence, dark rural skies, and plenty of parking. Clear skies cannot be guaranteed but observing will be encouraged. Informal atmosphere, pleasant surroundings.

The cost is £210 inc. VAT for members (only one may attend at the member rate for Affiliated Societies) and £235 inc. VAT for non-members. Cheques should be made payable to The British Astronomical Association. Payment must be made by Friday 23rd March. It may not be possible to make repayment for cancellation after Friday 23rd March as we cannot change our booking with the College after that date. Early booking is advised.

Day visitors must book in advance but note that priority will be given to those booking for the whole weekend.

Friday and Saturday evenings will incorporate observing sessions so any portable equipment will be welcome.
